SOLDIER KILLED YOUTH.

While Trying to Demonstrate Use of Bayonet While in France.

While attempting to demonstrate a bayonet charge as made on the battle fields of France Private Lucien R. Parker, who returned from Camp Devens last week, accidentally discharged a rifle in Townsend Sunday afternoon and the ball struck Lewis Riendeau, 15 years old, with fatal results. The boy died between 10 and 11 o'clock Sunday night.

The shooting occurred on a hill back of the Riendeau place a mile or more north of Townsend village on the road to Griffin. Parker, who is 21 years old, formerly was employed on Robert Greenwood's farm a short distance from the Riendeau place, and since his discharge from Co. F, 101st ammunition train, he has been visiting at the Greenwood farm. He has no near relatives.

Parker went to the Riendeau farm Sunday afternoon for a short visit and he and Lewis Riendeau and an older brother, Eugene Riendeau, Jr., 17, went on the hill back of the house to hunt woodchucks, taking along a 38-calibre Winchester rifle belonging to Eugene Riendeau, Sr.

While the boys were talking and visiting Parker started to show the other boys how a bayonet charge was made and as he raised the rifle as if to make a lunge his right hand slipped over the hammer of the rifle lifting it enough to explode the shell.

The bullet struck the boy in the right side and passed through his stomach, coming out of the body about an inch to the left of the navel. The older brother ran to the house for help and he and his father hitched up a horse and drove as near as they could to the scene of the accident. The wounded boy was placed in the wagon and taken to his home. This was about 2:30 o'clock.

Dr. L. B. Gordon of Williamsville was summoned by telephone. Dr. F. L. Osgood of Townsend being away. Dr. Gordon administered a hypodermic and stated that the boy was so low that there did not appear to be much chance for his recovery.

The selectmen also were notified and Selectman E. H. Allbee, Town Grand Juror Sparks and others went to the Riendeau place. They were satisfied after an investigation that the shooting was accidental.

State's Attorney Harrie B. Chase of Brattleboro was notified and Dr. George R. Anderson of Brattleboro was summoned Sunday evening. He reached the house about 9 o'clock and found the boy in a semi-conscious state. There was nothing that could be done for him.

State's Attorney Chase went to the Riendeau place Monday and questioned the family and Parker and was satisfied that the shooting was accidental and that while there was some carelessness involved it was not of a degree to constitute criminal carelessness. Parker, who was in his uniform, was overcome with grief over the unfortunate affair.

Besides Mr. and Mrs. Riendeau there are several sons and daughters in the Riendeau family.
